

# BANNOCK BLUES

Composed by

Marian Kotowich-Laval -Feb 26,2009

## CHORUS

G  
"Don't panic, eat bannock",  
C  
Like momma used to say.  
G  
"Don't panic, eat bannock",  
C G  
To chase your blues away.

C G  
So if you're feeling lonely  
D G  
Or down in the dumps...  
C G  
Or maybe you've been crying,  
D G  
'Cause your oatmeal's full of lumps...  
C G  
Remember what I've told ya,  
D G  
And, you'll know just what to do.....SAY...

G  
"Don't panic, eat bannock",  
C  
Like momma used to say.  
G  
"Don't panic, eat bannock",  
C G  
To chase your blues away.

## VERSE 1

C G  
One Sunday night when it was time  
D G  
to start thinking about school.  
C G  
I wondered how I could become  
D G  
just a little more cool.  
C G  
So I began to look around  
D G  
and found a bottle there.

C G  
On the label I could read,  
D-----  
"Caution, not for children's hair".

G  
Oh what a disaster  
C G  
Oh what a terrible sight

My momma thinks she's seeing things.  
C D-----  
I look like such a fright.

## CHORUS

## VERSE 2

C G  
So maybe that blue-green hair  
D G  
wasn't such a good idea(r)...  
C G  
And now my Momma's crying,  
D G  
And my heart is full of fear  
C G  
Now, if this sounds familiar,  
D G  
and you don't know what to do...  
C G  
Remember what I told ya,  
D-----  
And, you can get through this too.....

(Spoken softly) Just say-----Oh  
momma...I'M SORRY...

G  
"But....don't .....panic, eat bannock",  
C  
That's what you used to say.  
G  
"Don't panic, eat bannock",  
C G  
Let's chase our blues away.
